I want to terminate the service before my plan's expiration date! Will I get a refund?

For accounting purposes a refund is not possible. For this reason we have developed a [Demo Account](#) for you, to double check and use for free our service, before buying an eShop package.

Additionally, you can choose the pay-per-month option available on [Basic, Pro and Gold packages](#), in order to use any eShop package you wish, without having to pay for a long-term package, from the very beginning.

You can see how an eShop looks from a [buyer's perspective](#) or from an [administrator's perspective](#), by checking our demos (in greek).
