

## What advertising channels can I use to promote your services?

- 2022-12-17 - Affiliates

For starters, you can embed your affiliate banners into any website that you own, to get the most out of it. Additionally, you can use your affiliate URL by sharing it with your friends, or by promoting it through a newsletter to your customers or in any creative way you wish.

Please note that the ways used must comply with our terms of use.
